

Beer Fest!

A Beer Tasting Fundraiser

April 8th, 2017 from 12:00 to 5:00 pm

At the Seattle Scottish Rite Masonic Center

Early Life Speech & Language, formerly RiteCare of Washington, a 501c3 non-profit organization, has been serving children in the greater Seattle area for over 30 years, providing professional speech therapy for children, ages two through seven, with a significant speech or language delay. The need is great. Ten percent of all children have a speech or language problem. Early Life Speech & Language provides intensive therapy combined with parent education **at no cost to the families**. Our services are entirely supported by the generosity of donors *including sponsors to our beer festival*.

We expect about 300 people to attend this event. We will be showcasing local microbreweries which already include Salish Brewing, Cask & Trotter, Snoqualmie Brewing and more! The fun doesn't end there, we'll provide a bratwurst lunch, raffle items and live music. **We would be honored to have you as a sponsor**. There will be multiple opportunities to highlight your business before, during and after the event.

Since Early Life Speech & Language opened for business in 1984 we have served well over 3,000 children and their families. With the support of people and businesses that care we can serve many more children in our communities.

Can we count on your support?

Thanks for your time. I hope you will consider participating in this charity event. Please let us know by **January 31st, 2017**.

Our kids thank you!
